

## More than just soup

At Hope Kitchen we love to see people move away from homelessness and into accommodation that they can call home. We understand that everyone needs a roof over their head but also a bed, somewhere to cook and sit and eat. Over the last several years we have been able to give grants to people to help them into accommodation and also to set up home. We do this in conjunction with other agencies such as Homeworks, Seaview and Fulfilling Lives. They approach us to help co-fund a deposit, rent in advance or money towards furnishings for someone who is about to move into a property.

Last year we were able to assist 17 people into accommodation.

Here is a letter from someone who we have helped in this way (name obscured)
